It is a special serum suitable for daily use by HC Medical Pharmacy for feet and ankle pains.

Natural vitamins and minerals dissolved in Musculi Longum 500mg relieve pain in the head, neck and joint areas in your body.

At the same time, this **Musculi Longum 500mg** helps your body get rid of toxins and your metabolism is healthier.

- ◆ Maybe you complain of that terrible pain in your neck or that severe headache that strikes at the most inopportune time.
- ◆ Or from your joint pains that prevent you from even sitting up. Whatever it is, know that you are not alone.
- ◆ Head, neck and joint pains affect human life quite negatively.
- ◆ However, it is possible to solve this problem with HC Medical pharmacy without resorting to unfamiliar variations.
You only need 500mg of Musculi Longum for this.

Musculi Longum 500mg has been used for a long time in the treatment of problems that may occur in the skin of the feet and nails.

Peelings and treatments made with **Musculi Longum 500mg** prevent diseases such as nail fungus and foot odor that are common today.

Musculi Longum 500mg revitalizes the skin with its blood circulation accelerating feature, makes the skin look smooth, and removes the thin dead skin on the feet.

Most importantly, it prevents the formation of bacteria on the skin and largely eliminates the risk of infection.

- **BACKACHE**

The most common causes of low back pain are low back strain, nerve irritation, problems with nerve roots coming out of the spinal cord, and bone and joint problems.

Back strain; Musculi Longum 500mg ends the effects of injury caused by stretching the ligaments, tendons or muscles in the waist strain area.

Musculi Longum 500mg You should treat the first signs of neck and shoulder pain or tension quickly before they can have a long lasting effect on your daily life.

Musculi Longum 500mg for neck and shoulders is suitable for the treatment of muscle and joint pains due to the following reasons;

- muscle tension
- Contractions caused by excessive exertion
- sprains
- Arthritis

• **NECK PAINS**

Symptoms such as limited mobility, stabbing or pulsating pain, or a pulling sensation in the neck accompanied by headaches are the most common symptoms of neck pain.

Solitary symptoms such as stiff neck due to airflow are often bothersome,
 HC Medical Pharmacy issue

Musculi Longum dissolves 500mg.

However, other symptoms such as tension-type headaches, tinnitus due to muscle tension, or recurrent dizziness can also limit quality of life in the long run.

You need to be aware that occasional neck pain is a one-to-one warning signal. Acute pain can turn into chronic pain in the neck and shoulders, which can lead to secondary problems if we ignore the initial neck and shoulder problems.

The following symptoms should never be ignored;

If neck pain and stiffness is accompanied by fever, cramps, severe headache, numbness, nausea, sensitivity to light, drowsiness or loss of consciousness, the nearest Health Institution should be consulted immediately.

This can be caused by life-threatening conditions such as meningitis, heart attack, or cerebral hemorrhage.
